

YOU INTERIORS

19TH OCTOBER 08

You readers spend a lot of time and money making their house a home and they look to us for their inspiration: **1.9m** are always looking for ideas to improve their home.

To complement our weekly interiors features, we publish regular seasonal specials and the next of these will appear in our October 19th issue. As always, we'll be taking an inspirational yet practical approach, focusing on real room transformations. Style Editor, Clare Nolan and her team of experts offer the professionals' view on styling, with insider tips on must-haves and best buys. Clare answers readers' questions and we'll

compile a comprehensive stockists guide so readers know exactly where to go to achieve the look they want with the minimum of effort.

You magazine reaches **4.7 million** readers, this feature will offer the perfect environment in which to showcase your brands.
